

Mantorville Theatre Company

Cheers for Chairs!

We hope you like our refreshed audience seating. The chairs are safer, comfortable, and portable - but they were very expensive! When we started the refresh, they were \$280 apiece; but after COVID took its toll, the last ones cost over \$500 each! The whole seating system totaled over \$50,000. You can help us defray that cost and get a little recognition at the same time.

Of course, any donation is welcome! Donations of \$25 or more will also place you on our Mantorville Theatre membership list. Donations of \$250 or more will earn you a commemorative label on a chair and a spot on our shining stars list in our programs.

Print and fill out this form. Please mail your donation to:

Mantorville Theatre Company
